

CHILD CARE CENTER

For more than 40 years, the Longwood Medical Area Child Care Center (LMACCC) has been the premier childcare center in the LMA, providing care for children from ages two months to five years.

With a range of educational activities and programming, LMACCC supports each child's emerging self-confidence and self-esteem.

Why the LMACCC?

- **Location:** The LMACCC is ideal for families who work in or near the LMA, just footsteps away from the district's leading institutions.
- **Accessibility:** The LMACCC is easily accessible by transit, foot, LMA Shuttle, and has a designated drop-off area for parents who commute by car.
- **Flexibility:** LMACCC accommodates working families' schedules. Our center is open Monday-Friday, 6:45am-6pm.

"Our family is so grateful for the second family that our kids have at LMACCC! Thank you for everything you do for them each and every day."

– LMACCC parent

LMACCC serves families in the community and strives to:

- Create a warm, sincere and caring environment that promotes children's social, emotional, physical and cognitive development.
- Foster a safe and open culture of communication where children, parents, and staff collaborate.

CHILD CARE CENTER

The LMACCC is currently enrolling. Join a supportive, collaborative environment that prioritizes care and positivity.

“We are thankful for all the teachers that help our child feel good at the LMACCC.”

– LMACCC parent
